

Tee Time with Stella Nanos

Fall golf at the Glencoe Golf Club is a great way to enjoy the autumn colors on the tree-lined fairways of the golf course. We invite you to come out and

take advantage of the last days of mild temperatures before the snow falls and to participate in our special events and lesson programs.

The **Senior Fall Classic** will be held on Thursday, October 3 and is open to all golfers ages 60 years old and up. The event will begin at 8:30 a.m. with a shotgun start and includes 18 holes of golf, contests throughout the course and an awards luncheon following golf. Bring your friends out to enjoy this non-competitive, fun-filled event.

On Saturday, November 2, the **Hard Course Day & Chili Open** will take place. The golf course will have the pin positions set up in the most challenging locations with a chili lunch following the competition. The event is a two-person scramble format so find a partner and sign up today for our most popular event of the season!

Keep your game in shape throughout the year with golf programs for both children and adults. After-school programs will be taught throughout the fall and winter to help your children continue to improve their golf swings. Winter instruction will also be offered in our clubhouse utilizing V1 Video Analysis and a Flightscope 3D Golf Simulator. This is a great opportunity to keep your game in shape during the winter months or to fine-tune your swing for your winter destinations.

Finally, with the holiday season right around the corner, why not give the gift of golf? The Glencoe Golf Club has gift cards available that can be redeemed for greens fees, private lessons or merchandise. Fulfill your golfers' wishes from the comfort of home! Gift cards purchased online will be mailed out for your convenience.

We hope to see everyone out this fall to enjoy the golf course, and for the avid golfers, we will remain open, weather permitting, throughout the winter.

A Note from the Friends of the Green Bay Trail

By Meridith Clement

The August 3, 2019 Green Bay Trail Day was a resounding success. It was a picture-perfect day to highlight the recreational and health benefits available on the Green Bay Trail and to feature the environmental benefits of its restoration. More than 500 North Shore residents strolled the trail to visit 13 information booths highlighting trail opportunities provided by local businesses, enjoy music and sample breakfast treats provided by Charles Schwab. The Village of Glencoe generously assisted with grading, monarch hatchery stair improvements and Scott Avenue bridge maintenance to improve the Trail's surface and recreational use. Trail Day was a wonderful community collaboration.

Trail restoration and stewardship work continues. Recreational and environmental benefits cannot be achieved without generous community support. Trail updates, photos of its changes and events are available at www.gbtrail.org. Its long history will be featured at the Friends' ninth annual Buckthorn Barbecue on October 3, at the Chicago Botanic Garden. Tickets are available at www.gbtrail.org/bbq. Visit the trail and enjoy its seasonal changes.

New Leaders at Glencoe Youth Services

Glencoe Youth Services (GYS) is proud to welcome several new faces this fall. New Executive Director William Barnard stated that he, along with staff members Pamela Tousis and Jared Meyerson, is dedicated to providing the "ultimate safe space for youth to be unapologetically themselves" through not only fun activities and snacks but with social and emotional learning opportunities as well. Students in grades 6-12 are invited to stop by GYS each day after school between 3 and 6 p.m. To learn more, visit GYS' website at www.glencoeyouthservices.org.
