## Solstice Song

Diane Greening

*When the day is shortest*

*And darkest falls the night*

*Sing a solstice song*

*And welcome back the light*

## Here Comes the Sun

George Harrison (mostly)

Here comes the sun, here comes the  
sun, And I say it's all right

On the solstice ,  
it is a long cold lonely winter  
On the solstice,  
it feels like years since it's been here  
Here comes the sun, here comes the  
sun, And I say it's all right

On the solstice,  
the smiles returning to the faces  
On the solstice ,  
it seems like years since it's been  
here

## You Are My Sunshine

Jimmie Davis

**You are my sunshine,  
my only sunshine**

**You make me happy  
when skies are gray  
You'll never know dear,**

**how much I miss you  
Oh sunshine,**

**please come back today!**

Here comes the sun, here comes  
the sun, And I say it's all right

Sun, sun, sun, here it comes (3 X)

On the solstice,  
I feel that ice is slowly melting  
On the solstice,  
it seems like years since it's been  
clear

Here comes the sun, here comes  
the sun,  
And I say it's all right, It's all right

Sun, sun, sun, here it comes (3 X)
