Seasonal Views Featured in Trail's Photo Contest

FGBT 2022 Green Bay Trail Photo Contest winners announced

SUBMITTED BY MERIDITH CLEMENT

Green Bay Trail users were invited to share their trail experiences by submitting photos taken on the Green Bay Trail at any time in 2022. Photos were submitted for consideration in one of 4 categories: Butterflies and Other Insects, flowers, and Plants, Furry and Feathered Friends and Trail Experiences and Activities. Winning photographs were selected via a multi-community voting process. Visit <https://www.gbtrail.org/photo-contest/> to see all photos submitted. Brighten a chilly winter day by viewing the engaging summer and fall trail colors, flora, and fauna.

1. Katharine Frey; First place: Butterflies and Other Insects.
Photo Title: Serene Beauty

2. Tamara Rubio; First place: Flowers and Plants
Photo title: Fall perspective

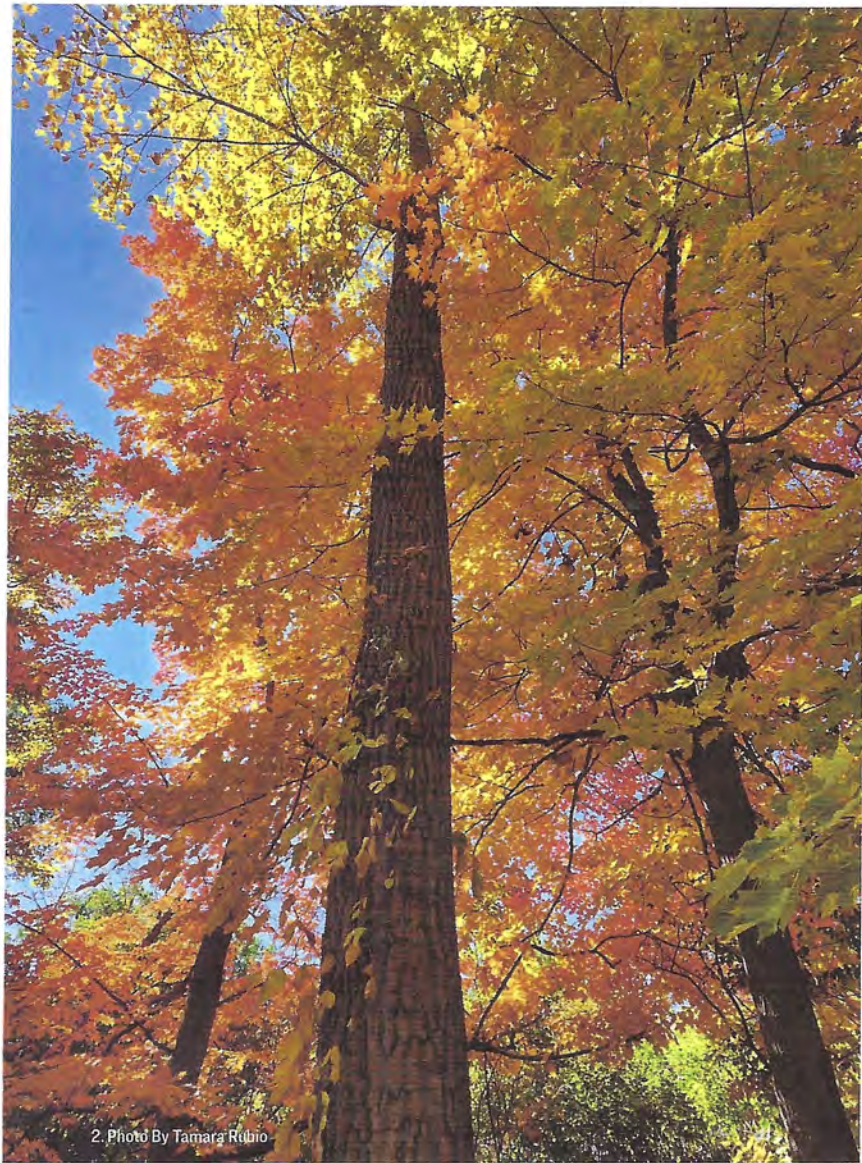

3. John Berwanger; First place: Furry and Feathered Friends
Photo title: Mallard (During a Wet Spring)

4. Debbie Weiner; First place: Trail Experience & Activities
Photo Title: Blazing Down the Trail

Although winter has arrived, the trail remains a favorite recreational destination. Its natural beauty and surprises are present in all seasons. Refresh, Relax and Restore on the Green Bay Trail.
